

## SMASH! 2023 ITASHA CAR DISPLAY - TERMS AND CONDITIONS

Are you interested in displaying your Itasha at SMASH! 2023? Then sign up for the SMASH! Itasha Car Display!

### Terms & Conditions:

- SMASH! 2023 Itasha cars will be displayed indoors in exhibition hall 4. This location is subject to change and will be confirmed closer to the event date.
- If you have multiple Itasha, please fill out this form for each car that you wish to submit.
- Your car will remain on-site for the entire convention, meaning you will need to organise alternative transport to make your way home.
- You will be asked to drop your car off the day before the convention (Friday, June 30th) in the evening, and you will be able to pick it up at the end of the convention (Sunday, July 2nd). Exact access times will be circulated to successful applicants.
- When bringing your vehicle on-site, follow the directions of venue safety and security at all times, hazard lights and maximum speed limits will be enforced. Not following the direction of venue safety and security could result in your vehicle not being displayed and further action being taken.
- During the convention, the cars will be behind barricades and a no-touch policy will be enforced for attendees.
- If an Itasha owner is present at the display and wishes to show an attendee their car up-close, they are permitted to as long as they only approach and interact with their own car. Anyone found to be interacting with a car they do not own will be liable for any damages caused and may face disciplinary actions.
- The venue is monitored by security and will be locked down after every day to ensure the safety of all cars.
- SMASH! and the venue does not hold responsibility for any possible damage to your car.

Applications **will not be considered** until photos of the Itasha have been received. If the images do not match the car of submission, it will not be permitted to enter the premises.

Successful applicants will receive a complimentary weekend pass to SMASH!

Your details will remain confidential and follow the SMASH! Privacy Policy: <https://smash.org.au/privacy-policy>

If you are accepted to display your Itasha car at SMASH! 2023, you will be required to complete a Vehicle Display Permit Form from the Sydney International Convention Centre (ICC). This form outlines the following rules:

- A separate set of keys are to be left with ICC Sydney Security during the event in the instance of an emergency.
- Drip trays are required to be placed underneath the vehicle to prevent spillage.
- Maximum of five litres of fuel in the vehicle (no need to clear fuel from fuel line and engine).
- Battery to be disconnected when vehicles are unattended.
